PROFESSIONAL SUMMARY

Data-driven Senior Product Manager with 4+ years of experience scaling high-volume transactional platforms and **Engagement Ecosystems**. Expert at bridging complex user journeys with **LiveOps incentivization**, driving 22% conversion lifts and 17% CLTV growth through gamified retention mechanics. Proven track record in managing ₹1000+ Cr annual budgets to optimize player/user acquisition and platform-scale session depth.

PROFESSIONAL EXPERIENCE

PHONEPE (Engagement & Growth) | Bangalore, India

Product Manager | May 2023 – Present

- **Retention Mechanics & LiveOps:** Launched a gamified milestone system and unified offer discovery journey, scaling **CLTV by 17%** and increasing **active session depth** through algorithmically cohorted user interventions.
- **Conversion Optimization:** Reimagined the end-to-end checkout and payment experience, architecting **EMI subvention capabilities** that drove a 14% increase in conversion for high-intent user segments.
- **Predictive Engagement:** Directed a ₹1000+ Cr annual marketing engine, deploying **'Propensity to Transact' ML models** to optimize spend efficiency, reducing marketing burn by 32% while sustaining double-digit YoY growth.
- **In-App Incentivization:** Designed real-time, context-aware interventions (freebies, fee-waivers) for Pincode, significantly reducing **supply chain abandonment** and improving overall funnel health.

PHONEPE (Monetization & Strategy) | Bangalore, India

Associate Product Manager | April 2022 – April 2023

- **Viral Acquisition Engine:** Engineered a multi-tenant referral engine with integrated fraud detection, acquiring **5Mn+ users/month** and optimizing CAC by 23% through feature-level referral loops.
- **Monetization Roadmap:** Managed a ₹100 Cr/year monetization portfolio, defining scalable B2B infrastructure that supported rapid merchant growth and platform-wide incentivization strategies.

KOTAK MAHINDRA BANK | Mumbai, India

PM Intern (Founding Team) | April 2021 – June 2021

- **0→1 Platform Launch:** Conceptualized and launched the **Kotak Cherry WealthTech** platform, achieving 100K+ downloads within 90 days and a +26% Day-30 retention rate.

TECHNICAL SKILLS

- **Product & Engagement:** Live Operations (LiveOps), Gamification, Retention Mechanics, Conversion Funnel Optimization, A/B Testing, Lifecycle Management, Technical Product Strategy.
- **Data & Tools:** SQL (Advanced), Machine Learning (Propensity Modeling), Data Modeling, Mixpanel, Clevertap, Jira, Figma, Tableau.

EDUCATION

- **Indian Institute of Management (IIM), Indore** | MBA | 2020 – 2022
- **Neoma Business School, France** | Student Exchange (MBA) | 2021
- **Visvesvaraya National Institute of Technology (VNIT), Nagpur** | B.Tech in Computer Science | 2016 – 2020

AI & OPEN SOURCE PROJECTS

- **AI Mock Product Manager Interviewer** ([Live Demo](#)): Architected a real-time voice conversational agent using LLMs and speech-to-text to conduct PM mock interviews, providing instant scorecards and feedback.

KEY ACHIEVEMENTS

- **Campus Winner:** Asian Paints Canvas B-School Competition.
- **National Finalist:** ITC Interrobang.
- **Academic Excellence:** Education Minister Award – District Topper (10th & 12th).
